

Bio of the Northcoast Miata Club

2011:

MEMBERSHIP

JOE & SANDY WILICK

Upon test driving a Miata at Cascade Auto the salesman suggested attending the NCM meeting. After doing so, we decided to become members and purchased a 1999 black Miata. We joined the club in the summer of 2007.

Joe tried autocross at Hartville. He felt like a kid in a candy store. What great fun! It's an excellent way to improve your driving skills in a car that was designed to have great handling.

Joe served 4 years in the US Navy and is currently employed at Midwest Gear where he is a machinery repairman. Sandy is retired from her secretarial job.

We have been married for 38 years and have two children, Shelly and Joey and two grandchildren, Bryant and McKayla.

We currently have a 2007 red Miata and continue to enjoy the club. We are looking forward to future events and being on the board as membership committee.
