Join us at Hershey's Hudson on August 11th for a Sundae on Monday!

Well, it is hard to believe that the year is half over. Where did it go?

We have had 7 Around the World Dinners, 15 tours thus far, 2 Around the World Lunches, a book discussion, Miatawood Derby, and a View and Chew. WHEW!! Lots of activities going on and more to come. I hope that everyone has had a chance to participate in some or all. So much to do and so little time!

On a separate note, we all are aware of the new style Miata that is coming out to be unveiled in California in September. Rich Velardo is planning to drive out and participate in the festivities at Laguna Seca Raceway. AND we have a member who has signed up to purchase one of the limited editions of the new Miata. Ask Phil about his experience.

By the way, he has a nice yellow Miata for sale. Anyone interested??

Thanks to all who came for the ice cream social at the June meeting. I think it was a success!

EVENT WRAP UP- 2014 Northcoast Miata Club Picnic - Hosted by Bob and Betty Belding

Saturday July 12, 2014 was warm with a slight breeze and a partly overcast sky which made for very pleasant picnic weather. There were varying counts of 36 to 43 Miatas plus two “other cars” lined up out front and there were 68 people who signed the sheet but there was an estimated 85 people in attendance which is a great turnout.

Those who signed the sheet are:

Bill & Sharon Procter, Greg & Judy Selby, John & Margaret Dascoli, Debbie & Gregg Wirth, Ron & Linda Otte, Mike & Lois Kerklo, Doug & Carol Leavens, Dan & Terri Cali, Gary & Charlene Davis, Dave & Karen Baker, Jim & Mindy McCartney, David & Ann Benson, Len & Nancy Monaco, Tom & Janis Williams, Jeff & Robin Arona, Joe & Sandy Wilick, George & Linda Eisenzimmer, Charlie & Marlene Rodgers, Maryann Tower & Dennis Beckman, Steven & Susan Huntsman, Scott, Mary & Ed Miller (it was great to see Ed, Thanks for bringing him), Adam & Sherry Rolland, Dan & Jane Curran, Bill Shepler & Joanie Rogers, Bill & Sharon Procter, Rich & Linda Placko, Cindy & Mike Cooper, Bob & Jan Stefancic, Gary & Barb Savage, Tim Graham, Jeff & Lisa Kramer, Denny & Alicia Moeller, Jared and Tiffany Fonner, Bob & Betty Belding.

Doug & Carol Leavens again organized a Miata Picnic caravan. They started out with eight cars and picked up four more on the way making a total of twelve cars arriving at the picnic. Thanks Doug and Carol for a great job of organizing the caravan.

Thanks to Dan Cali and his crew of Bob & Jan Stefancic, Judy and Greg Selby, Sherry & Adam Rolland and Dave Baker for all the “rodeo games”. Here are the WINNERS! 1st Scott Miller & Jared Fonner; 2nd Adam Rolland & Terri Cali; 3rd Greg & Debbie Selby; Slowest Time John & Margaret Dascoli; and BIG TICKET WINNER is Charlie Rodgers. Much thanks to all of you who worked the games and all who participated in the games.

I also want to thank the cooks (who got cooked themselves). Denny Moeller has been a real stalwart as cook. I believe this is his tenth time around the block as cookie. Dave Baker, Bill Shepler and Joe Wilick also helped. Thanks for the great job guys!!

The kitchen clean-up crew of Alicia Moeller, Lisa Kramer and Joanie Rogers took on that big job and certainly helped Betty and me out a lot.

By the way this is the tenth Northcoast Miata Club Picnic that we have had the privilege to host. We have had invaluable help from Denny and Alicia for each and every one of these picnics. I’m sure that without their excellent assistance, these picnics would not have gone as well. Moellers, we can’t thank you enough.

LOL Bob and Betty Belding

EVENT WRAP UP- JULY AROUND THE WORLD LUNCH- Hosted by Art and Maureen Davis

On July 22, twenty members of our club became Urban Pioneers. At approximately 11:35 am on Tuesday July 22, our pioneers steered their wagons, er, Miatas into the corral, ok, parking lot, of Sterle's Country House.

Sterle's has been in business for over 60 years in the same location on East 55th street near St. Clair Avenue in Cleveland. Sterle's prepares Slovenian favorites and eastern European comfort food. Large portions of comfort food were consumed by our pioneers with several "take home" boxes finding their way from this urban location to surrounding towns.

Not only did we have a great lunch and active discussions, we discovered that this area of Cleveland was on its way to becoming updated and rediscovered by a new generation of Clevelanders. How fortunate for our Miata members to become Urban Pioneers for a few hours.

Our Urban Pioneers were: Barb Savage, Bob Haseley, Art & Maureen Davis, Gary & Char Davis, Wayne & Connie Dustman, Jeanne & John Embree, John & Donna Garsteck, Nancy & Len Monaco, Doug & Carol Leavens, Joe & Sandy Wilick and Mike & Linda DePietro.

Club Ambassadors Report Rich Velardo

The Miami Valley Miata Club (Dayton area) has been reaching out to other clubs, with the idea that if we share some information about our activities that perhaps we can work together a bit on more activities. Dave Berry is the "Ambassador" from Miami Valley and I have been given that title for The Northcoast Miata Club. (I do have to come up with a snappier title for this report.)

This year we had several members of the Bluegrass Miata Club join us for part of our Bourbon Tour, the May Miatas at Deal's Gap always includes Florida and Toledo clubs and of course in Marietta, we joined several other clubs, including Miami Valley, for our fun weekend. At the Vintage Races we shared parking space for the Concours with Miami Valley in the infield as well. So, as you can see cooperating with other clubs is not unusual, we're looking to expand this a bit more.

As part of this exchange, Miami Valley has sent along their newsletter to us and we'll be sharing our newsletter with them too. You'll find the Miami Valley newsletter on our web-site, check it out and see what they've been up to.

Event - “Cruise in” Tuesday, August 19th – Hosted by Jim and Marilyn Nenadal

Join fellow club members on Tuesday, August 19 at 6200 Enterprise Parkway, Solon, Ohio 44139 for Two-Seater Night presented by Rock and Roll Capital Street Machines car club.

We will, again, have spaces reserved for our club, but, I have to give RRCSM a firm count by August 10th. This is the second year that they have generously agreed to save spaces for our club. We had a nice turn out last year, and our group had a fun evening. Members were impressed with the vast array of cars that attend the event.

There will be food booths and music, raffles and awards. Bring a lawn chair. There is no charge for this event, but it would be appreciated to contribute \$1 or more at the gate for their charity, which is Fisher House, which is for veterans.

You have to arrive prior to 6p to have your reserved spot, otherwise, you can park, but it won't be with our group.

Check out their website at www.rnrasm.com

Please, contact the Nenadals at jimnenadal@yahoo.com to sign up. We have 10 cars already signed up, and space is limited.

Boo Tour 2014

I am presently planning the 2014 Boo Tour with Rod Barkly that will be scheduled for Saturday, October 25, 2014, which is the weekend before Halloween. This year we will be visiting some ghostly sites in the area. We promise a fun filled supernatural tour and may even spot a ghost or bigfoot creature during our drive.

I will have more details about the upcoming Boo Tour in the September newsletter, so stay tuned.

ALL-NEW 2016 MAZDA MX-5 MIATA CONFIRMED - Fourth-Generation Roadster to Debut via Simultaneous Global Events on Three Continents -

IRVINE, Calif. (July 2, 2014) – This fall, 25 years of storied MX-5 Miata history will turn the page to unveil the beginning of its fourth chapter as the next-generation roadster will be rumor no more during simultaneous global events in Japan, Spain and the United States. Officially confirmed as a 2016 model, the all-new MX-5 coyly made an initial debut at this year's New York International Auto Show in the form of an exposed SKYACTIV-CHASSIS. MX-5 historians eagerly scribbled notes, snapped photos and speculated on what the final product would be. On September 3, 2014 speculation will shift into revelation during an exclusive event to be held in Monterey, Calif.

"We're excited to make this official, to announce that the newest member of the MX-5 Miata family will be arriving soon," said Jim O'Sullivan, president and CEO, Mazda North American Operations (MNAO). "Along with our colleagues around the world, we continue to celebrate the MX-5's 25th anniversary and look forward to sharing even more news in the near future."

In addition to the global unveil of the 2016 MX-5 Miata, MNAO has partnered with the enthusiast-operated event eponymously known as Miatas at Mazda Raceway, which will be held on September 5-7. The next-generation roadster will be on display along with an array of heritage, concept and motorsports MX-5s. MNAO also will lead consumer discussion sessions covering history, motorsports, R&D and design as well as coordinate one of the largest gatherings of MX-5 Miatas in North America. Registration for the annual event is free and open to the public. For more information, visit www.MiatasAtMazdaRaceway.com.

Update to California Event

A big change from the planned attempt to set the record for most Miatas in a parade, an announcement from Keith Tanner, organizer of Miatas at Mazda Raceway Laguna Seca;

A change to the world record: now Friday, Sept 5th

In the "be careful what you wish for" department, we have decided to make some major changes to the World Record portion of the event. As the number of registered cars continued to climb well past 1,000, we realized that as picturesque as the Monterey Peninsula is and as great the roads are for driving, its winding two-lane byways were not meant to accommodate the more than 1,000 MX-5s now registered for the Guinness World Record parade attempt. And because we want each and every one of you to be part of the anniversary celebration, we've set our sights on other records – BIGGER records. We don't need Guinness to tell us how many of us there are!

So instead we're now focusing on the "Largest Recorded MX-5 Miata Gathering" -- specifically for North America, with the ultimate goal of having the "Largest Recorded MX-5 Miata Gathering in the World," which is about 1,600. (We can do this!)

Specifically, we will be getting everyone together in a HUGE parking lot starting at noon on Friday, 5 September, with the target of having everyone in place for a special group photo (drones and a helicopter) at 5 pm. We'll be sending out all the specific details in subsequent emails.

We have a pretty sensational day planned for that Friday (including a free BBQ and entertainment), with the good news being that we won't be asking people to start lining up for a long and slow parade starting at 6am on Saturday morning as originally published. Friday will kick off the weekend with a relaxing and fun way to meet and make new friends, with some great surprises in store as part of a historic and unforgettable MX-5 Miata day.

Trust me. You will want to do everything you can to be there on Friday to participate in the Record and the day. It will be worth it.

California Dreamin' Rich Velardo

September 6-7, 2014, Laguna Seca Raceway, Mazda is sponsoring the 25th B'day party for the Miata.

I'm going, who is coming along? This is a once in a lifetime event, we're expecting the unveiling of the next Miata as well as free almost everything.

Hot laps on Laguna Seca cost extra, but parade laps are free. We'll be setting the world's record for the number of Miatas on parade (683 currently) on the parade laps of LS. It's a long drive, some company would be welcome.

From the announcement: *"We'll have an attempt to break the Guinness World Record for the number of Miatas in a parade. There's going to be a drive-in movie at the track. Mazda design director Derek Jenkins and other Miata insiders will be giving seminars. There will be a vendor alley so you can check out the hottest products for your ride. We'll have a car show with everything from pristine time capsules to the wildest modified Miatas. Mazda is bringing their Miata show cars. But wait, there's more! Organized drives around the beautiful Monterey area, free food all weekend long - **and more.**"*

Naturally, the track event will remain. Two days of track action for everyone from hard-core track junkies to novices, on one of the world's legendary tracks: Mazda Raceway Laguna Seca. There's going to be a Spec Miata race. We'll have parade laps so everyone gets a chance to drive the track. And only Miatas will be taking part."

Glenmoor Gathering Concours d'Elegance, Sunday Sept. 21st Rich Velardo

I have learned that the Glenmoor Gathering Concours d'Elegance will be resurrected this year! After the cancelation last year The Gathering is back, it will be held at Stan Hewett in Akron, parking will be at Firestone High School with transportation provided to Stan Hewett.

News of this resurrection appeared on Facebook on May 1st, so arrangements have not been made but we will be going. Tickets are \$30 each (yes, that's a significant increase), food will be available on site as well. I would plan to arrive at the beginning of the day for decent parking and less people.

More details as we find out more information, please let me know if you're interested in this event.

September 20th Mystery Tour – John James

I have scheduled a late summer mystery tour on Saturday, September 20, 2014. This afternoon early tour will take us along some nice back-roads in the greater Cleveland - Akron region. We will end up having dinner at an area restaurant. Our plan is to meet in the parking lot at the Cuyahoga Valley Park Visitor Center, which is located on Hillside Road right off of Canal/Valley View Road. The address is 7104 Canal Road, Valley View, Ohio 44125. Everyone should begin to arrive at 3:00 PM. We will begin our tour at approximately 3:30 – 3:45 PM. We may be making an ice cream stop as well if time permits.

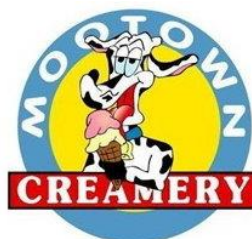

If you are coming up from the south on I- 77 turn right on Rockside Rd and head down to Canal Road at the bottom of the hill and make a right turn onto Canal Road and proceed until you come to Hillside Road, which is located on the right. Make a right turn and proceed 100 ft and the Cuyahoga Valley Park Visitor Center is on the left and the parking lot is right there.

If coming north on 77 make a left turn on Rockside Rd heading east and follow the instructions above.

Please note that I am limiting this tour to just 12 cars this will be done on a first come first serve basis. I will also have a waiting list for those who want to be on standby in the event that someone should cancel. If anyone wants to sign up for the tour you can RSVP at (216) 429-1304 or by e-mail at jjames9676@sbcglobal.net. (My cell Phone number to reach me on the day of the tour is 216-548-1889).
